West Valley National Bank has opened a loan production office located at 14130 W. McDowell Road, Suite A-106, Goodyear.

"This office is the first step in executing our strategic plan to becoming the West Valley's premier financial institution," President and Chief Executive Officer Candace Wiest said. "We are fortunate to have recruited a team of West Valley residents who are focused on providing exceptional customer service to West Valley business owners.

"Frederick Lake, vice president, is a well-known West Valley banker who has been a community leader for many years," Wiest said.

"We were delighted to recruit Catherine Keedy as our community development officer to work with the non-profit organizations of the West Valley," Wiest said. "Catherine has deep roots in the West Valley and will work to establish strategic partnerships for the bank.

"Dan Dickhart, vice president, has been a business leader in the West Valley for the past 20 years," Wiest said.

"Laurie Kyro has also joined the bank as a vice president responsible for branch development, marketing and shareholder relations," Wiest said.
